Dear Madres de Casino Road Members,

I wanted to take this opportunity to thank the members of Madres de Casino Road for helping to strengthen the bond between the Everett Police Department and our Everett Latino residents.

In January 2022, your organization agreed to help the Everett Police Department by coordinating a Latino Community Meeting. This meeting was one of five total community/business meetings developed to be part of our police department's Efficiency Assessment Study.

Of the five community meetings, the meeting organized by Madres had the highest and most diverse attendance. The feedback provided in this meeting showed a desire for better relations and engagement between the police department and the members of the Everett Latino community.

Madres de Casino Road has shown itself to be a valuable resource, providing information and assistance for the Spanish speaking members of the city of Everett. Thank you for your partnership and continued support. I look forward to a long and productive relationship as we work together to make a difference in our community.

Sincerely,
